Magnetism has proven a triumphant success for the sale and speedy cure of all diseases, and the vast army of cured patients throughout the country is a sure indication that Dr. French possesses this great "gift of healing" to a greater extent than any other man. Recollect your well advisers do not know what you suffer, therefore exercise your own judgment and reason, and go at once to Hotel Vendome and consult Dr. French; it may result in a quick cure.

Dr. French—Dear Sir: Ten years ago you cured me of a bad liver complaint and a morbid, inactive state of my bowels, so that I was compelled to take medicine every day. I have not taken a dose of medicine since you treated me and cured me by your wonderful magnetic powers. That was ten years ago, and all the time since I have enjoyed first rate health, which shows your cures are lasting and permanent.
